Great Lakes Dredge & Dock Company, LLC is the largest provider of dredging, land reclamation and beach nourishment services in the United States, and the only U.S. dredging company with significant international operations. With the largest and most diverse dredging fleet in the United States, Great Lakes serves a wide range of customers including the US Army Corps of Engineers, state, local and foreign governments, and private companies both international and domestic.

Headquartered in Oak Brook, Illinois, GLDD has more than 200 pieces of ocean going and inland dredging plant located strategically throughout North America and internationally. Information on our fleet and projects can be found on our website at www.GLDD.com.

We are currently seeking a SITE MANAGER to join our team.

The GLDD Site Manager is responsible for safely and efficiently supervising dredging, beachfill, reclamation, towing, and disposal operations and related dredging project activities. The Site Manager reports to the Project Manager while assigned to his/her respective project.

The successful candidate will have a college level degree in engineering, construction management, or other related technical field, project supervisory expertise, and will have least 5 years relevant experience including dredging and/or marine construction.

This position is rotation based on GLDD project sites. Meal allowance, lodging, and transportation are provided by the Company.

GLDD provides a competitive salary and bonus program, 401(k) program that includes 100% company matching of the first 6% of employee contributions with immediate vesting; annual profit-sharing contributions by the Company to participants' 401(k) accounts (based on Company's annual performance); continuing education; and Medical, Dental, Prescription, Life, and Disability insurance plans.

Great Lakes Dredge & Dock Company is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment regardless of and will not be discriminated against on the basis of gender, sexual orientation, gender identity, race, color, ethnicity, national origin, religion, age, veteran status, disability status, genetic information or any other protected category.
